Description :

PDF-cc946 | "Castle" is a wide-ranging history of some of the most magnificent buildings in Britain. It explores many of the country's most famous and best-loved castles, as well as some little-known national treasures. The story begins in the 11th century, when castles were introduced to Britain, and ends in the 17th century, when they were largely abandoned. It is, in some respects, an epic tale, driven by ... *Castle: A History of the Buildings that Shaped Medieval Britain*
