ISBN : #0419161309 | Date : 1996-10-17

Description :

PDF-76953 | Modern architecture has become extremely complex and its study has been made more difficult by changes in fashion and a proliferation of design modes. In this book, Geoffrey Baker develops a methodology for design analysis that reveals the underlying organisation of buildings. Part One explains the nature and role of architecture in a wide-ranging discussion extending from geometry to symbolism.
