Description :

PDF-3a954 | In today's unsustainable world of goods, where products are desired, purchased, briefly used and then promptly landfilled to make way for more, consumption and waste are rapidly spiralling out of control with truly devastating ecological consequences. Why do we, as a consumer society, have such short-lived and under-stimulating relationships with the objects that we invest such time, thought and m... *Emotionally Durable Design: Objects, Experiences and Empathy*
