Description :

PDF-47765 | With the release of Avatar in December 2009, James Cameron cements his reputation as king of sci-fi and blockbuster filmmaking. It's a distinction he's long been building, through a directing career that includes such cinematic landmarks as The Terminator, Aliens, The Abyss, and the highest grossing movie of all time, Titanic. The Futurist is the first in-depth look at every aspect of this aud... *The Futurist: The Life and Films of James Cameron*
