Description :

PDF-92a03 | Modernism is a broad term, used generally to convey a faith in progress and a healthy scepticism for received ideas and traditional values. More specifically, the Modernist tendency has often been associated with the main developments in art over the past 150 years, and with the art's highest achievements. However, those concerned to maintain traditional values in one form or another see "Modernis... *Modernism (Movements Mod Art) (Movements in Modern Art)*
