Description :

PDF-cd9dc | George Melly is 79 nudging 80. You'll probably think, 'That's not old these days'. And it's true, George is still swinging and singing, fly-fishing, flirting, and for now just playing at senility. But it's not as if he were the Queen Mother. He walks very slowly nowadays. He's losing control over his bladder, and his bowels. He no longer, being quite deaf, enjoys noisy parties. He's been seriously... *Slowing Down*
