Description :

PDF-02580 | Cook's three voyages of discovery, which took place between 1768 and 1779, are among the most remarkable achievements in the history of exploration. Cook charted vast areas of the globe with astonishing accuracy, and the voyages also made a significant contribution towards solving some of the great problems of cartography and navigation. With crews containing gifted sailors and navigators, as well... *The Voyages of Captain Cook (Wordsworth Classics of World Literature)*
